

Oliver Tong

Senior Director
Head of Leasing, Macau

Current Responsibilities

Oliver is responsible for JLL's Leasing business in Macau, which involved managing and setting the strategic direction for different leasing businesses.

Experience

Oliver Tong has worked with Jones Lang LaSalle in Macau for almost 7 years providing leasing consultancy advice in almost all major malls and commercial buildings in Macau. He is in charge of leasing development strategies including market-positioning, trade mix and tenant mix strategies. He also specializes in shopping center design solutions for new projects as well as those under refurbishment or redevelopment and has extensive experience of working alongside architects. Moreover, he has also been involved in a wide range of transactions and consultancy projects for major developers in Macau and China.

Education and Affiliations

Oliver holds a MSc degree in Property Development and has an advanced grounding in property markets, institutions as well as development process.
